KEY PRODUCT FEATURES AND BENEFITS

- The Draft Arm provides a simple, stylish design to fit any space
- The compact design makes it good fit for small areas – line up several for more taps and an aesthetic appeal
- Single hole mounting minimizes the footprint within valuable bar space
- Durable, stainless steel supply tube ensures beverage flavor will not be tarnished while dispensing
- Insulated dispensing head and shank bushings minimizes sweating to keep your bar clean, cools more efficiently for energy reduction, and reduces warm spots in the tower to give you the perfect pour
- Solid metal construction to withstand years of use
- 304 stainless steel shanks ensure purity of flavor from keg to tap

Quick Features:

- Available with 3 or 4 faucets
- Offered in Polished Chrome or Tarnish-Free Brass
- Extra tall models available
- Faucets and tap handles sold separately
