The clean, bold look of this *Pass-Thru* style pipe tower will be the centerpiece of beer-centric bars, allowing you to pour a variety of beers while also fitting well in modern, stylish environments.

Quick Features:

- Pure copper coolant lines and cold block maintain chilled beverage temperature, minimizing foam and lost profits
- Insulated dispensing head and shank bushings minimize sweating to keep your bar clean, cool more efficiently for energy reduction, and reduce warm spots in the tower to give you the perfect pour
- Available in 6, 8, 10, or 12 faucets
- Offered in polished chrome or tarnish-free brass
- NSF-listed component
- 304 stainless steel shanks ensure purity of flavor from keg to tap
